For mediations taking place away from the offices of Hay & Kilner LLP, the parties agree to cover the room hire costs and travel costs if so required.

3. We require payment from the participants in a mediation twenty-four hours in advance of the mediation taking place.
4. The fee will be fixed in accordance with the size of the dispute as notified by the parties. We reserve the right to review the fee if it becomes apparent that the dispute is larger than notified.
